TELECOM  
Technology People Talk About

## Get Ready for the Ultimate in TV

Jefferson Telecom is excited to announce we're updating our video system in order to serve you better. This upgrade will bring you innovative new features, additional functionality, and a user experience enhanced by:

- Crystal clear picture and sound
- High Definition (HD) channels with ALL packages
- Whole Home Cloud DVR
- Restart TV – Lets you restart programs in progress.
- Instant weather radar
- Caller ID on your TV
- What's Hot app – Shows you the top programs being watched.

Turn to page 3 for details about these new features.

To prepare for the TV upgrade, please discuss in your household how many boxes you'll want for TV service. This new system requires one box per TV to gain access to programming. All Jefferson Telecom cable TV customers will be given two "leased" boxes FREE, and each additional box will be \$9.95/month.

**SIGN UP NOW!** Do you want to be one of the first customers on the list as we start scheduling appointments for the TV conversion? If so, visit [www.jeffersontelecom.com/tv](http://www.jeffersontelecom.com/tv) to learn more and add your name to our VIP list.

## WatchTVEverywhere

Pick your device. Pick your location. Pick your program. With WatchTV-Everywhere, everyone in your family enjoys lots of options for how, where, and what to watch.

Slumber party time? The kids can watch a movie on a laptop in their fort. Waiting for a plane? You can catch up with your favorite drama show on your smartphone at the airport. WatchTVEverywhere works from anywhere you have an Internet signal, making it incredibly convenient.

Plus, WatchTVEverywhere is FREE with your qualifying Jefferson Telecom TV package. The specific networks available to you on your mobile devices will be based on your TV package subscription. For example, you must receive a channel at home to watch that channel with WatchTVEverywhere.

**To use WatchTVEverywhere, you'll first need to register at [www.watchteverywhere.com](http://www.watchteverywhere.com). It's quick and easy; just have your Jefferson Telecom TV account number and account name handy from your bill. Not yet one of our TV customers? Call us today at 515-386-4141, option #4 to sign up.**

Win a \$20  
Credit on  
Your Jefferson  
Telecom Bill

\$20

Fill out this form, clip it, and return it with your next bill (or drop off at the showroom) for a chance to win a \$20 credit to your account. Return it by July 15, 2019 to be eligible. One winner per newsletter will be selected.

Name: \_\_\_\_\_

Phone #: \_\_\_\_\_

Email: \_\_\_\_\_

Yes, please use my email for communication purposes.

**Congratulations to our last "Winner of a \$20 Credit," Gary Harbaugh of Jefferson.**

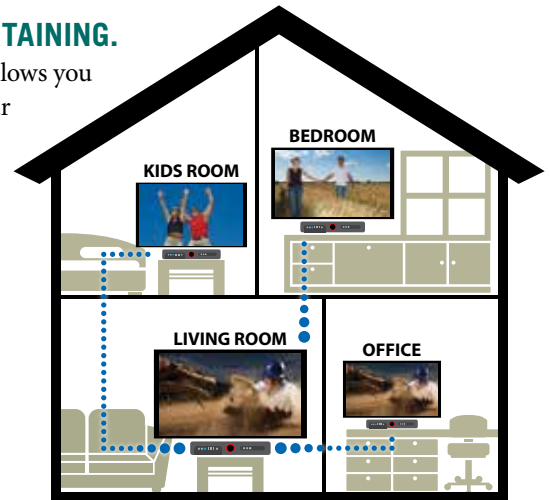

## Whole Home Cloud DVR Puts You in Control

### Make every room a whole lot more ENTERTAINING.

Whole Home Cloud DVR (Digital Video Recorder) allows you to watch recorded shows on any connected TV in your home. All of your recordings are saved in the cloud rather than on your local DVR set top box, allowing options for added storage space and reliability.

With DVR service, you can keep up with all of your activities and still not miss your favorite shows. It makes it quick and easy to automatically record any show that airs on Jefferson Telecom TV. Then whenever it's a good time to watch, these programs will be waiting for you to enjoy. Record one episode or an entire season — it's up to you.

### Whole Home Cloud DVR service also enables you to:

- Pause, rewind, and slow-motion instant replay the action during live telecasts such as sporting events.
- Watch one show while recording up to 12 shows. For example, you can watch the big game as it happens while recording the season finale of a TV drama to watch later.
- Pause live TV to answer the phone or go to the door to get the pizza you ordered.
- Save time by fast-forwarding through recorded programming that doesn't interest you.

Once upgraded, all Jefferson Telecom TV customers will have Whole Home Cloud DVR as each box will have this feature available. **Jefferson Telecom is here to help get you started by offering 2 FREE boxes with 15 hours of record time.** Each additional box will be \$9.95/month. Customers are able to purchase additional storage for a nominal monthly fee.

**SIGN UP NOW! Get on the list to schedule your TV upgrade today! Visit [www.jefferson-telecom.com/tv](http://www.jefferson-telecom.com/tv).**

# FREE Innovative Features with NEW Jefferson Telecom TV

Jefferson Telecom TV brings you an enhanced TV viewing experience with more local features, family programming, movies and sporting events. You will enjoy the crystal clear picture and sound as well as innovative features such as:

- **Restart TV** – This feature gives you the ability to restart a program that’s already in progress. So if you’re browsing channels and see a show you wanted to watch that’s already begun, simply Restart it and watch from the beginning. Restart channels are highlighted by the green and white Restart icon.
- **Instant Weather** – Now you’ll have weather information at your fingertips. Press the red button on your remote control and click on Weather. You’ll find the current weather conditions, 5-day forecast, and radar with animation.
- **What’s Hot app** – Nothing on TV tonight? Need some ideas of what others are watching? Press the yellow button on your remote control and click on What’s Hot. The What’s Hot app gives you the most popular programs being watched in your viewing area at the time plus the most popular recorded programs and series.
- **MyTVs app** – Download the MyTVs app to your Apple or Android device to turn your device into a remote control. You can manage recordings, view and search the TV Guide remotely, and perform remote control functions.

**Here’s the best part—all of these features are FREE with your Jefferson Telecom TV service! Ready to upgrade your service and start enjoying these features? Sign up now at [www.jeffersontelecom.com/tv](http://www.jeffersontelecom.com/tv).**

## FREE First Month of Caller ID

You’re watching your favorite show when the phone rings in another room. Should you get up to answer it or stay on the couch? With Caller ID, you’ll now see the caller’s name (if available) and phone number on your TV screen and can decide whether to take the call or screen it. All this convenience can be yours for only \$5.50/month.

**Sign up for Caller ID today and receive your first month free. Call 515-386-4141, option #4.**

## Enjoying Wi-Fi Outside Can Be a Breeze

When you're spending time in your yard, nothing beats a sunny sky and warm breeze. Except, perhaps, the ability to enjoy an internet connection.

Your home's Wi-Fi network has to keep up with multiple users, multiple devices, and multiple applications. What's more, the need for a strong Wi-Fi signal is no longer limited to interior rooms. You'll want to stream movies or TV shows while relaxing on the front porch, post party photos and videos to social media from the backyard deck, and watch the big game in the garage's man cave.

This is why Jefferson Telecom offers Managed Wi-Fi, a service to improve the strength of your home's Wi-Fi network throughout your home and beyond. With Managed Wi-Fi, you'll rest easy knowing you have the right Wi-Fi equipment in the right place to get the coverage you want.

### Our Managed Wi-Fi includes all this for only \$9.95/month\*:

- No need to buy or replace a router as your Wi-Fi signal will come from an eero system (\$299 Value), professionally installed by a Jefferson Telecom technician.
- FREE eero installation (\$99 Value)
- Plus, Jefferson Telecom will hook up all wireless devices at point of installation.
- Local technical support available 24/7 if needed – call 515-386-5500.
- Should Internet troubles not be resolved by phone, you'll pay NO trip charge for a technician to come to your home during normal business hours Monday-Friday for Wi-Fi related issues.

Our goal is to keep you connected to the Internet everywhere you like to connect with family and friends — including your outdoor living spaces.

**Managed Wi-Fi works in conjunction with your Internet service from Jefferson Telecom. For complete details and to sign up, call 515-386-4141, option #4.**

*\*Additional equipment and charges will be assessed and discussed if needed to optimize the Wi-Fi experience.*
